PROFESSIONAL EXPERIENCE 🏢

RELIEF QUALITY ASSURANCE | TRUDELL MEDICAL LIMITED

Ontario, Canada | SEP 2019 - Present

Collaborating with manufacturing assemblers and engineers to ensure the quality of products being produced met Trudell's standard. Overlooking paperwork and ensuring the integrity of parts made. Troubleshooting machines and keeping track of inventory to maintain a low reject percentage.

- Support the QA team in achieving the department's overall objectives and goals.
- Conduct inspections of premises and equipment for compliance with regulations and internal procedures.

MANUFACTURING ASSEMBLER | TRUDELL MEDICAL LIMITED

Ontario, Canada | FEB 2019 - Present

Manufacturing parts using various devices and tools. Maintained overall quality and department standards by communicating with supervisors and team members. Collaborated with technical engineers on-site to ensure machines were working correctly.

- Responsible for quality control of assembly process and ability to deliver consistent quality standards.
- Responsible for assembly of components into a finished product using machines and hand tools provided.

ADDITIONAL EXPERIENCE ✨

AST COORDINATOR | STO. NINO PARISH YOUTH ORGANIZATION

Quezon, Manila | MAY 2018 - DEC 2018

Attended meetings as a representative and was able to convey the events from the Diocese to our organization. Planned new programs quarterly and produced required paperwork for the contributors and sponsors of our occasions. I supervised youths, teenagers, and young adults.

SECRETARY CONGRESS | VILLAGE HOMEOWNER'S ASSOCIATION

Quezon, Manila | APR 2017 - MAY 2018

Tasked to record statistical data from previous owners to the current owners of each landlord in the vicinity of our village. It includes writing down information and details of each lot's water and electrical consumption.

DOCUMENTATION HEAD | STO. NINO PARISH YOUTH ORGANIZATION

Quezon, Manila | JULY 2015 - JAN 2017
